

# DO YOU HAVE A POWER OF ATTORNEY?

**Or Do you have :**

- Enduring Power of Attorney - Financial**
- Enduring Power of Attorney - Medical**
- Living Will - Medical Treatment Statement**

*No one knows when illness or accident may strike. Who will keep paying your bills and/or making decisions about your medical treatment ?*

*We will gladly discuss the above Enduring Powers and Living Will with you and explain the consequences of the documents.*

*It is vital that these documents be dealt with whilst you are well. Some of us will one day lose our capacity to deal with our affairs so it is very important that consideration be given to who would be the most responsible person to manage your affairs should this occur, and what treatment you would want should you become seriously ill.*
